SPONSOR'S RECOMMENDATION

Certification through sponsorship is offered through our Institute to individuals in the field of hydrology that can show they either have a high level of practical experience and/or have a high level of academic knowledge. Sponsorship requires at least 10 years of professional experience and that the educational requirements of at least 10 semester or 15 quarter hours have been completed in hydrology courses. As a sponsor, you are staking your professional reputation that the experience of the applicant is ethical and sound, and that the applicant has the proper education to make good hydrology-related decisions.
